

PANORAMA MOUNTAIN RESORT 2018/19 PRE-SEASON TRAINING

Dear Coach,

Panorama has a long history with alpine racing and we are committed to setting the standard for race training in North America. The terrain, snow conditions and infrastructure provide a hassle-free training environment that allows you to focus on your athletes and refining performance. It is this very reason that Olympic and World Cup athletes from around the world, along with North America's top aspiring youth, return to train at Panorama season after season.

The snow conditions and supportive attitude of the resort, makes it optimal for me to train and compete at my best during the World Cup season" Manny Osborne-Paradis, Olympian and three-time World Cup medalist.

From U12 to international Paralympic championships, Downhill disciplines to Freestyle, Panorama has the terrain, expertise and facilities to provide a premium training experience.

Our team can organize each aspect of your training camp including airport transportation, meal plans, accommodation and on-snow requirements. Please reach out to us for a customized quote.
